PRIVATE TOUR

Five hours on a trajinera, with live marimba, chef's tacos and mezcal.

Xochimilco still keeps its chinampas, the farming plots the Aztecs built over the lake, and it is a UNESCO World Heritage site. We move through the canals on a trajinera. A gastronomy and mezcal specialist travels with us, and a marimba plays live for an hour.

Chef Jorge, of @tiznetacomotora, prepares a taco omakase on board. Jazmín makes blue-corn tortillas from scratch.

To drink: mezcal served with orange, worm salt and Oaxacan chilli; tequila; red and white wine; horchata and tamarind water. The tour lasts five hours.
